INDEPENDENT AUDITOR'S REPORT

Board of Directors
Aurora, Inc.

Report on the Financial Statements

We have audited the accompanying statement of financial position of Aurora, Inc. (a nonprofit organization) as of December 31, 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Aurora, Inc. as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Aurora, Inc.'s Organization's 2012 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 19, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2012, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing standards*, we have also issued our report dated July 31, 2014, on our consideration of Aurora, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide and opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Aurora, Inc.'s internal control over financial reporting and compliance.

Aurora, Inc.
Notes to Financial Statements
December 31, 2013 and 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Mission

The Aurora, Inc. exists to bring an end to homelessness to the Evansville, Indiana community. To this end, the Organization pledges to provide services that prevent homelessness, educate the community on the issues, facilitates collaboration, and advocate for the social and economic changes necessary to make homelessness a reality.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Financial Statement Presentation

Financial statement presentation follows the U.S. generally accepted accounting principles promulgated by the FASB *Accounting Standards Codification*. Under those principles, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Income Taxes

The Organization is a not-for-profit corporation exempt from Federal and State income taxes under Section 501(c)(3) of the Internal Revenue Code; although it is liable for both federal and state income taxes on certain activities. The Organization's federal Exempt From Income Tax Returns (Form 990) are subject to examination by the IRS, generally for three years after they were filed.

Contributions

Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. Restrictions on temporarily restricted net assets are considered to expire when payments are made for goods or services relating to the restricted purpose. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Aurora, Inc.
Notes to Financial Statements
December 31, 2013 and 2012

Property and Equipment

Property and equipment are valued at cost less accumulated depreciation. Expenditures in excess of \$500 for fixed assets are capitalized and the replaced items are retired. Maintenance and repairs are charged to operations as incurred. Provisions for depreciation of property and equipment have been computed on the straight-line method based on their estimated useful lives, which range from 5 to 7 years. Upon disposition, the cost and accumulated depreciation are removed from the accounts and the resulting gain or loss is reflected in operations for the period.

Prior Year Summarized Information

The financial statements include certain prior-year summarized comparative information in the total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2012, from which the summarized information was derived.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Promises to give are recorded as estimated net realizable value as they are expected to be collected within the next year.

Investments

Investments in equity securities with readily determined fair values are reported at their fair value based on quoted market prices in the statement of financial position. Realized and unrealized gains or losses are included in the investment return, along with interest and dividends, in the statement of activities.

Accounts Receivable- Misc.

Accounts Receivables- Misc. consists of unpaid rent from a former tenant for the use of office space.

In-Kind Contributions

The Organization frequently receives in-kind donations for their various programs. The donations are recorded at fair value. During the years ended December 31, 2013 and 2012, the values of those contributions were \$136,888 and \$111,615, respectively.

Reclassifications

Certain amounts in the 2012 financial statements have been reclassified to conform to 2013 financial statement presentation.

Aurora, Inc.
Notes to Financial Statements
December 31, 2013 and 2012

Fair Value Measurement

FASB ASC 820, *Fair Value Measurements*, which defines fair value, establishes guidelines for measuring fair value and expands disclosures regarding fair value. FASB ASC 820 does not require any new fair value measurements but rather eliminates inconsistencies in guidance found in various other accounting pronouncements.

Assets and liabilities measured at fair value are recorded in accordance with FASB ASC 820, which clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, FASB ASC 820 establishes a three tier value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1 Inputs- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.

Level 2 Inputs- Inputs other than quoted prices in active markets that are observable either directly or indirectly.

Level 3 Inputs- Unobservable inputs in which there is little or no market data, which requires management to develop their assumptions.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents at December 31, 2013 and 2012 consisted of the following:

	<u>2013</u>	<u>2012</u>
Checking/Petty Cash	\$ 35,921	\$ 29,234
Money Market	<u>196,694</u>	<u>304,500</u>
	<u>\$ 232,615</u>	<u>\$ 333,734</u>

NOTE 3 - CONCENTRATIONS OF CREDIT RISK

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash and cash equivalents. Credit risk with respect to cash and cash equivalents is minimized by using high-credit quality financial institutions.

The Organization received 74% of its support from governmental funding sources in 2013 and 66% in 2012. The majority of the Organization's public support is contributed by business organizations located in Southwestern Indiana.

Aurora, Inc.
Notes to Financial Statements
December 31, 2013 and 2012

NOTE 4 - FUNCTIONAL ALLOCATION OF EXPENSE

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 5 – DONATED MATERIALS AND SERVICES

Donated materials and services are recorded as contributions at their estimated fair values at the date of donation; no amounts have been reflected for fundraising or unskilled contributed services, since no objective basis is available to measure the value of such services. Nevertheless, a number of volunteers have given significant amounts of their time to the Organization's fund raising campaigns and various programs.

NOTE 6- LINE OF CREDIT

The Organization has a \$100,000 revolving line of credit and has a maturity date of October 1, 2014, of which \$10,000 was outstanding at December 31, 2013. Interest is payable monthly and carries a variable interest rate equal to the bank's prime rate. The credit line is secured by real estate.

NOTE 7– GRANTS RECEIVABLE

Grants Receivable at December 31, 2013 and 2012, consist of Government grants that are due within one year.

NOTE 8- INVESTMENTS

Investments of the Organization are stated at fair value summarized as follows at December 31, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Certificate of Deposit	\$ 7,932	\$ 7,908
Stock	<u>38,622</u>	<u>0</u>
	<u>\$ 46,554</u>	<u>\$ 7,908</u>

The stock was donated to the Organization on December 26, 2013 and as per donated stock policy was subsequently liquidated on January 6, 2014.

NOTE 9- RESTRICTED NET ASSETS

Restricted net assets at December 31, 2013 and 2012 are comprised of the following:

	<u>2013</u>	<u>2012</u>
Temporarily Restricted		
Destination Home Funds	\$ 22,961	\$ 24,366
Vision 1505	168,895	236,395
Permanently Restricted		
Designated Endowment Fund	<u>7,932</u>	<u>7,908</u>
	<u>\$ 199,787</u>	<u>\$ 268,669</u>

In 2008, a restricted donation was received from a donor to be used for the establishment of an endowment fund in the future to support the operations of the Organization. The only increases for the years ending December 31, 2013 and 2012 are from investment income of \$24 and \$28, respectively.

NOTE 10- SUBSEQUENT EVENTS

The Organization has evaluated subsequent events and transactions through July 31, 2014, the date the financial statements were available to be issued. There were no subsequent events that require recognition in the financial statements.

NOTE A- BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Aurora, Inc. under programs of the federal government for the year ended December 31, 2013. The information in this Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of Aurora, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Aurora, Inc.

NOTE B- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Aurora, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Aurora, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 31, 2014.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Aurora, Inc.'s internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Aurora, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged for governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material deficiencies or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Aurora, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of the audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors
Aurora, Inc.

Report on Compliance for Each Major Federal Program

We have audited of Aurora, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Aurora, Inc.'s major federal programs for the year ended December 31, 2013. Aurora, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Aurora, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133 *Audits of Stated, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Aurora, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major program. However, our audit does not provide a legal determination of Aurora, Inc.'s compliance

Opinion on Each Major Program

In our opinion, Aurora, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of Aurora, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Aurora, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Aurora, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a of compliance requirement of a federal program that is less severe than a material weakness internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
