### Golf Gives Back

Consider selecting Aurora as your charity of choice. The PGA TOUR prides itself on giving back to the communities in which its events are held and the United Leasing & Finance Championship is proud to be a part of this charitable tradition....Here's how it works: Qualifying charities will help promote online ticket sales to the United Leasing & Finance Championship. As part of the transaction, purchasers will choose a charity to receive the net proceeds of their ticket purchase. After the tournament, the designated funds will be distributed to the participating charities. Click here to purchase your tickets [Golf Gives Back](#)
