Meet Shelbie Auberry.....

Shelbie joined Aurora as an intern from the USI in August 2017. She was hired by Aurora as a case manager in the Re-Entry department in Jan 2018. This April, Shelbie will graduate with a Bachelor degree in social work. Early into her college studies she discovered she wanted to work with the offender population; so, Aurora's Re-Entry was a perfect fit for her. She just got married this past August. Her and her husband have two rescue dogs named Annabelle & Amelia.
