EVENT INFORMATION

48 Hours in the Life: The Homeless Experience Project is an Aurora event which aims to raise awareness towards the struggles individuals face when experiencing homelessness. This project is also a fundraiser for all of the programs that Aurora offers to help the men, women, children, and seniors who experience homelessness in our community.

During this event, individuals from our community will give up their everyday lives and spend 48 hours on the streets and in shelters. This event garnered great support last year. By becoming a sponsor, you will be part of a truly enlightening experience for our participants and our community. Join Aurora in expanding awareness in our community, while raising funds to support the programs that work to prevent and end homelessness.

The event will begin at Aurora on November 16th at 12 pm and end at Aurora November 18th at 12 pm.
