

# Artistry UNHOUSED

- Enlightenment from the Streets -

## CALL FOR ARTISTS!

"Artistry Unhoused" is an opportunity to build a wider understanding of people who are often overlooked, misunderstood or simply unwelcome through highlighting their creative contributions.

We call on those that are homeless, formerly homeless, staying in shelters, on assistance, or just feel like they don't have an outlet for their talent to participate and show off their creativity.

This is a mixed media exhibit so anything that you consider art is welcome. Some mediums include: **paintings, sketches, sculpture, photography,** and **jewelry**, but if you feel like it's art, then we encourage you to submit.

Limited art supplies & cameras may be available at some of the following locations:

**Aurora, Inc., Peace Zone, and local shelters**

Any completed pieces or photos can be brought to the following locations during normal business hours by July 26 if possible:

**Aurora, Inc., Peace Zone (Tues 12-4, Thurs 9-4), Arts Council of SW Indiana, Patchwork Central, or Aurora will pick up at the local shelters once a week**

**Gallery Exhibit August 10-28** w/ a Closing Reception on **August 28** at the Arts Council at 6:00 w/ art awards, music, & recognition. 100% of any art sold will go directly to the artist if they want to sell.

If you have questions, need assistance or materials, contact Nathan at [njochum@auroraevansville.org](mailto:njochum@auroraevansville.org) or **812-901-1048**
